'PUBLIC.EXE: PUBLIC EXECUTION'

Exit Art, 475 Tenth Ave, 212.966.7745

This stealth show about the distribution of public art is all over the place. Interventions are in the windows, on the Web, in a zine (*Paper Rad*), on a CD, and off-site (there's a tour). Michelle Handelman's performance piece inhabits Bryant Park on June 29th from 1 to 4 p.m. Through 7/31.
